If installation folder has been downloaded from METU NCC Host Computer the following stages are to be passed:

Assoc. Prof. Dr. Murat Sönmez

AutoCAD - DWG Association

AutoCAD is no longer the default application associated with DWG files. What do you want to do?

- Always reassociate DWG files with AutoCAD (recommended)
Ensures that AutoCAD is always used to open DWG files. This message will not appear again.
- Reassociate DWG files with AutoCAD this time
This message will appear the next time the DWG file association is lost.
- Skip association this time
DWG will not be associated with AutoCAD, but this message will still come up in the future.
- Do not associate DWG files with AutoCAD
AutoCAD will not be used as the default application for DWG files. This message will not appear again.
