

MATH 332
Theoretical Aspects of Stochastic Processes
METU Mathematics Department
SPRING SEMESTER - 2026

Titles of Videos:

- 1) Math 332-1: Section 1.1. Finite Markov Chains, Definitions and Examples-1
- 2) Math 332-2: Section 1.1. Finite Markov Chains, Definitions and Examples-2
- 3) Math 332-3: Section 1.2. Long-time Behavior and Invariant Probability
- 4) Math 332-4 Section 1.3. Classification of States-1
- 5) Math 332-5 Section 1.3. Classification of States-2
- 6) Math 332-6 Section 1.3. Classification of States-3
- 7) Math 332-7 Section 1.4. Return Times-1
- 8) Math 332-8 Section 1.4. Return Times-2
- 9) Math 332-9 Section 1.5. Transient States-1
- 10) Math 332-10 Section 1.5. Transient States-2
- 11) Math 332-11 Section 1.5. Transient States-3
- 12) Math 332-12 Section 1.5. Transient States-4
- 13) Math 332-13 Section 2.1. Infinite Countable State Space Stochastic Processes, Introduction
- 14) Math 332-14 Section 2.2. Recurrence and Transience-1
- 15) Math 332-15 Section 2.2. Recurrence and Transience-2
- 16) Math 332-16 Section 2.2. Recurrence and Transience-3
- 17) Math 332-17 Section 2.3. Positive Recurrence and Null Recurrence-1
- 18) Math 332-18 Section 2.3. Positive Recurrence and Null Recurrence -2
- 19) Math 332-19 Section 3.1. Continuous Stochastic Processes, Poisson Process-1
- 20) Math 332-20 Section 3.1. Continuous Stochastic Processes, Poisson Process-2
- 21) Math 332-21 Section 3.2. Finite State Space
- 22) Math 332-22 Section 5.1. Conditional Expectation-1
- 23) Math 332-23 Section 5.1. Conditional Expectation-2
- 24) Math 332-24 Section 5.1. Conditional Expectation-3
- 25) Math 332-25 Section 5.1. Conditional Expectation-4
- 26) Math 332-26 Section 5.2. Definitions and Examples-1
- 27) Math 332-27 Section 5.2. Definitions and Examples-2
- 28) Math 332-28 Section 5.3. Optional Sampling Theorem-1
- 29) Math 332-29 Section 5.3. Optional Sampling Theorem-2
- 30) Math 332-30 Section 5.4. Uniform Integrability Theorem
- 31) Math 332-31 Section 5.5. Martingale Convergence Theorem-1
- 32) Math 332-32 Section 5.5. Martingale Convergence Theorem-2
- 33) Math 332-33 Section 5.5. Martingale Convergence Theorem-3
- 34) Math 332-34 Section 5.6. Maximal Inequalities
- 35) Math 332-35 Section 8.1. Introduction to Brownian Motion
